## Humane-ism

Cottineau L. I don't expect them to be up to date, obviously, but with all of them there have been times when I've found some really interesting takes on problems which occupy Critical Theory or Linguistics now-- for example, in some ways Lewis' -Experiment in Criticism- has similar concerns to Reception or Reader-Response Theory, Tolkien's -On Fairy Stories- seems to reflect more recent interest in the

centrality of narrative in human thought cf Ricoeur and Barfield whom Tolkien followed, according to Verlyn Flieger has some interesting things to say about metaphor which remind me of the current interest in Conceptual Metaphor, even if he wasn't saying the same thing.
