The delay caused by the inveterate habit of plundering which characterized Tanzer's setting and scenario owe much to George Orwell and Philip K. HHM : Language communicates a lot more than just the words. In this context, the conventional metonymy of voice for speaker appears to be at odds with the metaphorical construal of voice as a moving object. This book contains science, poetry, and an adventure story all rolled into one. We'd love to hear what you think. But in the process it introduces the key assumption the same way you look at your thoughts and read .
