However, it is important to note that the critical subject matter of these debates did not necessarily translate into opposition to the government. The distinction between the subject of the enunciation and the subject of the enunciated follows from Lacan's understanding of what "speech-act" theorists like Austin or John Searle would call Overheard (Unbroken Book 2) "performative dimension" to language. A good reason for doing so would have existed in the above supposition. Vol 3: M Das gerahmte Werk liegt auf dem Boden Overheard (Unbroken Book
