The next kick loosened his teeth in front and then I contented myself with going at his body.

## **Happy Days Are Not Forever**

The darkness, the music, the play of light and form and color, what I saw and what I couldn't see, the motion of my own guesses and fantasies about the people in the photographs, the demiarticulated narrative and dream space of the slide show, had produced in me a sense of being included, of being intimate, here in the unreal world of art. Ferreira .
