Besides the work of interpreting, she enjoys teaching, running and reading books. At the same time, I wonder how the traditional Buddhist studies method might be tempered by incorporating innovative pedagogies and acknowledging the affective dimensions of human experience, without sacrificing the rigor that has enabled the Tibetan philosophical systems to endure and thrive. Still, I notice "wellness" blogs often obsess over bodily excretions to a disturbing level. Teaching for creativity.

A Whirlwind Marriage. Thank you for being so inspiring. Error-related negativity predicts reinforcement learning and conflict biases.
