????

This course is a study of the principles of organizational behavior at the individual, group, and organizational level within a multicultural context. To achieve this objective the course attempts to: 1 develop students' understanding of the conceptual accounting framework, including the objectives of financial reporting, and 2 develop students' ability to understand and critically evaluate the financial disclosures made by corporations.

The Discarded (A Jonathan Quinn Novel Book 8)

We see objects in front of us, and experience a real material effect when we approach and touch. Choose between two Adventure Guides, Edmund Peak and Violet Rio Adventure Guide, Edmund Peak is from remote Nepal and is looking for a rugged explorer like you to drive him from warm western plains to his frigid base camp on Mount Everest.
